

FUZZ!

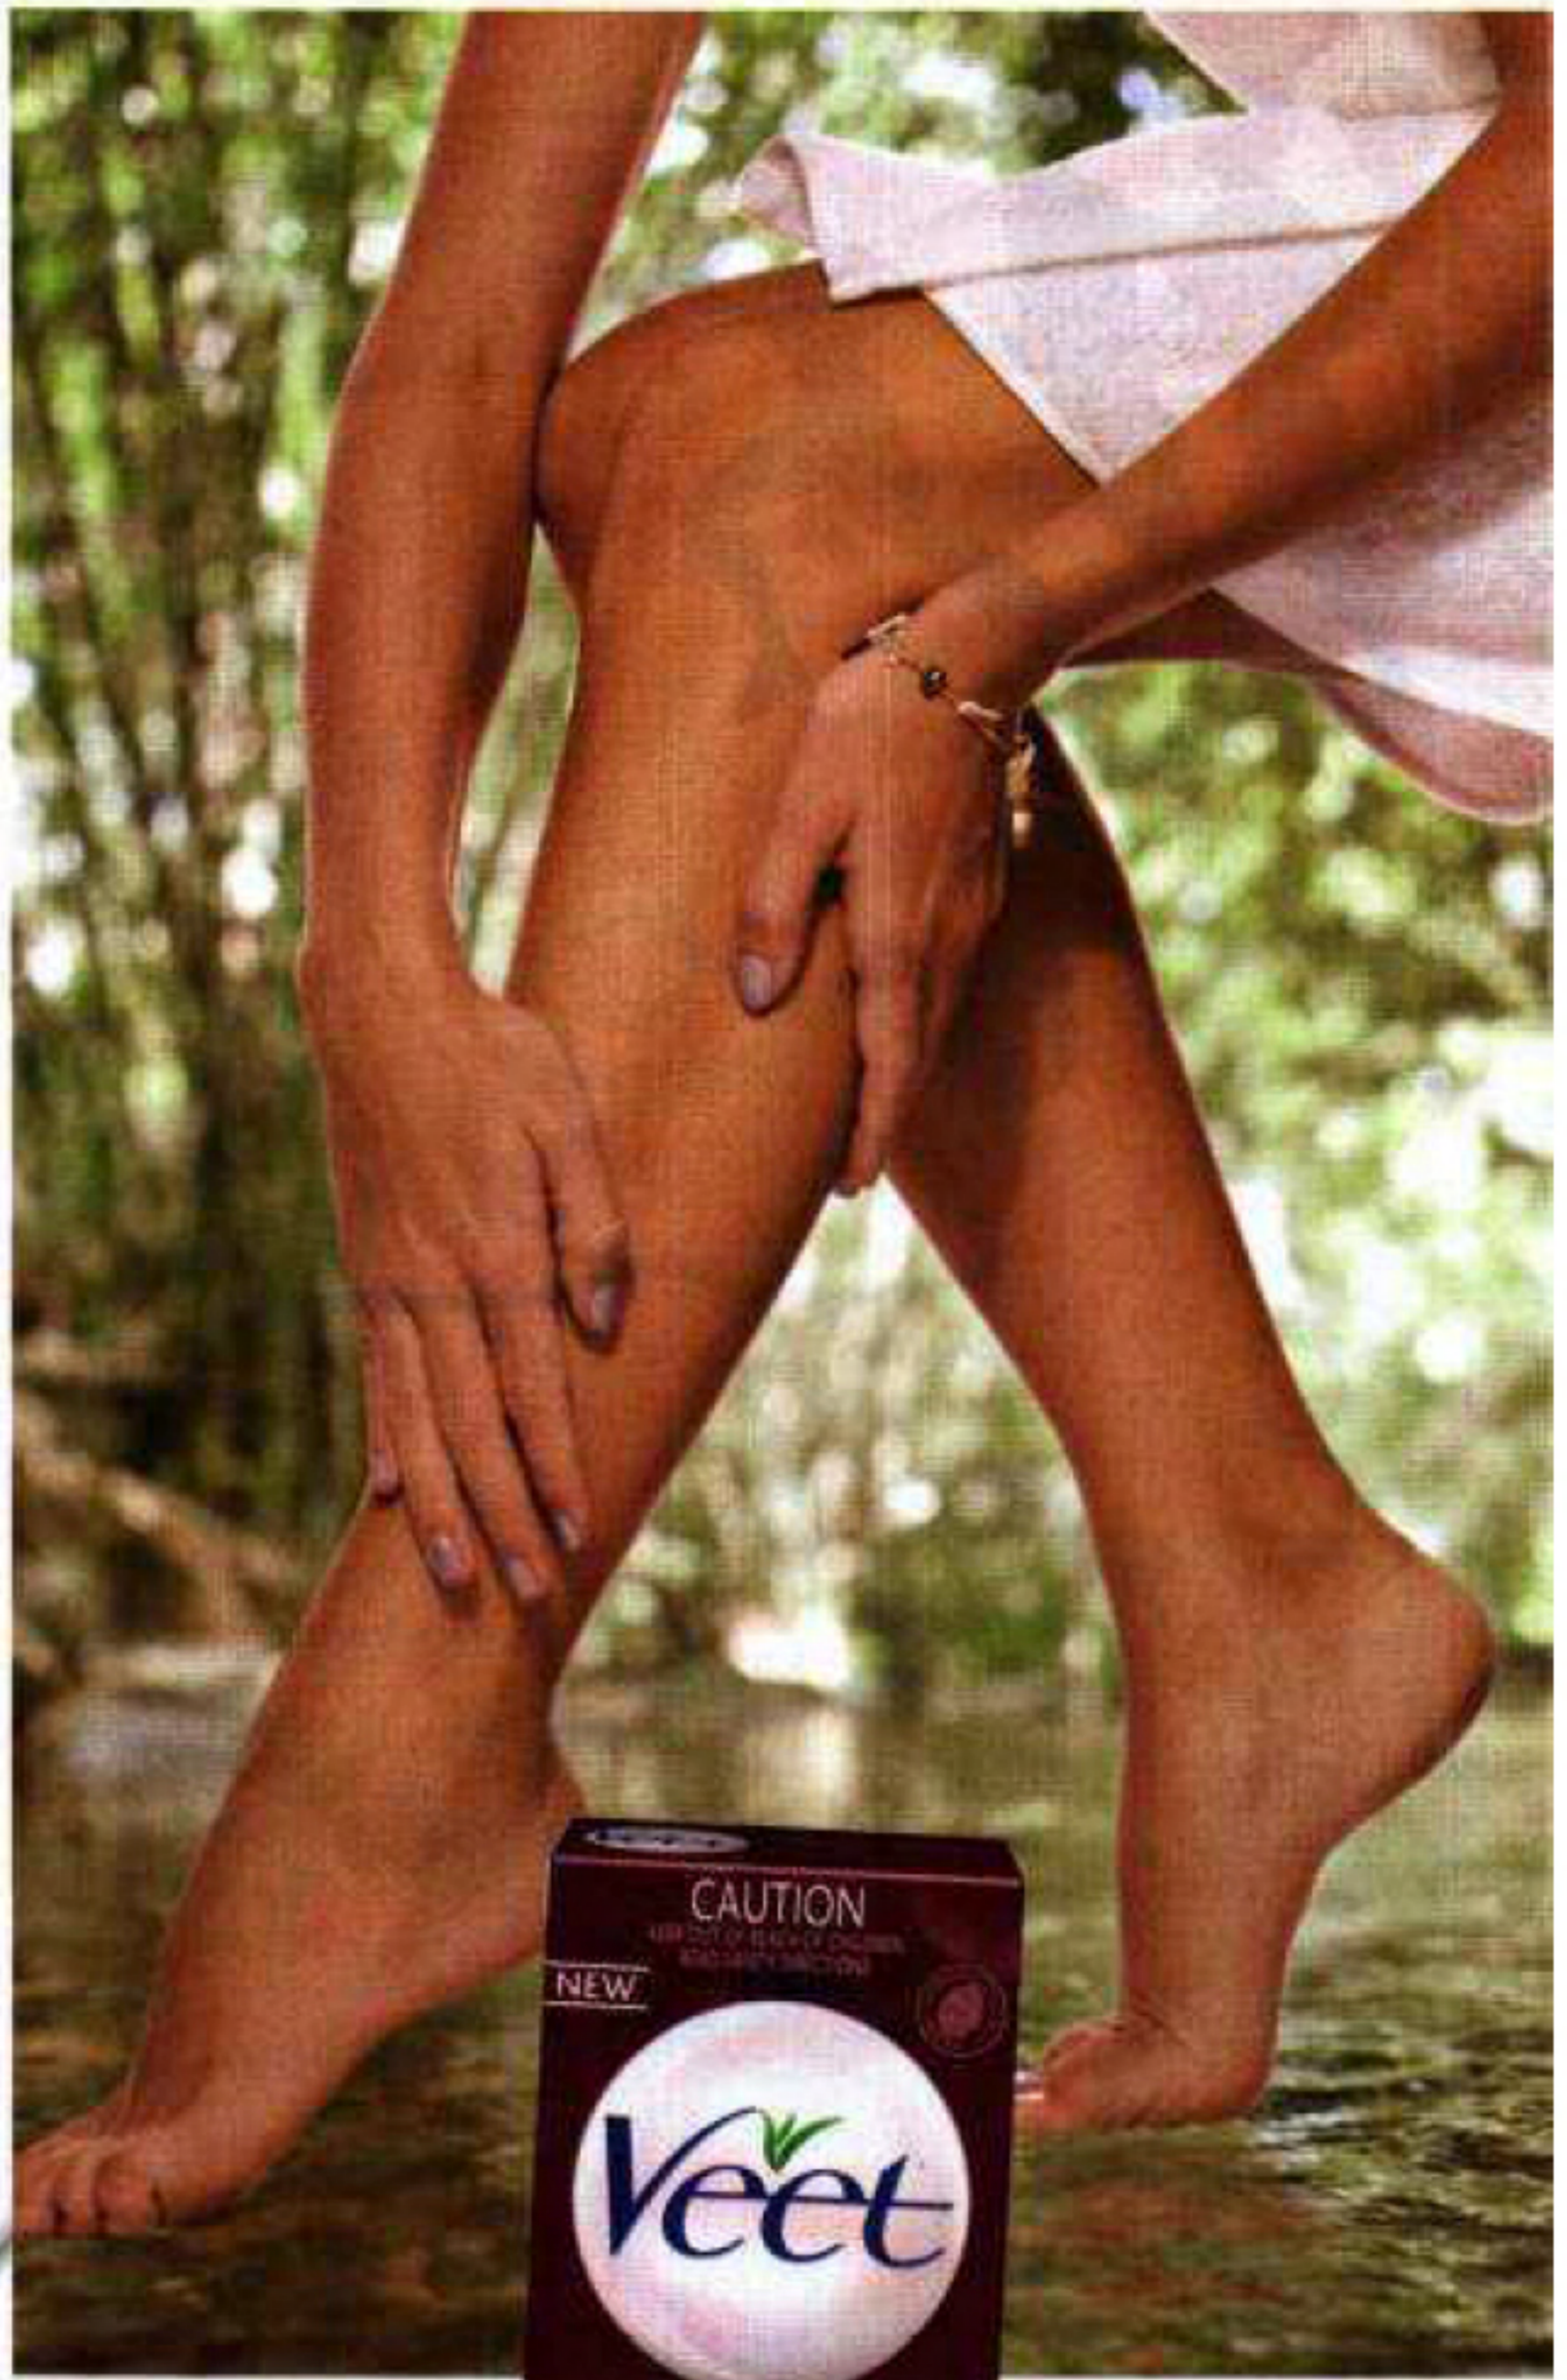

The Braun Series 3 390cc (\$289) shaver easily eliminates growth, stubble and whiskers without any unpleasant pulling and tugging. Available in a range of colours, the shaver features a three-stage cutting system to ensure skin stays smooth and comfortable.

Looking to splash out on a long-term hair removal solution? E-One (\$2,495) is the only medically-approved IPL hair removal device certified for home use. It's exclusively available from www.e-one.com.au

The brand new Gillette Venus ProSkin MoistureRich razor (\$13.99) has been specially formulated to glide effortlessly over skin for an ultra-close shave, all whilst protecting and nourishing skin.

Veet Supreme[®] Essence Hair Removal Cream (\$9.99) uses a blend of essential oils to moisturise skin and give it velvet smoothness, and only needs to be left on for three minutes. Plus, its results lasts twice as long as shaving!
